INTRODUCTION

Hanuman Universe token(\$HUT) is a meme token built on the Binance Smart Network. With a total supply of 40,000,000,000,000 \$HUT, it offers awareness, belongingness, connectivity, guidance, and comfort to Hanuman Universe with the blockchain experience.

1% donation tax, equal opportunities, space to grow, and engage in a vibrant community that embraces a sense of family, connection to tradition, perseverance, and empowerment.

- Limited Supply: \$HUT has a limited supply of 40 trillion tokens, which means that there is a finite amount of tokens that will ever be created.
- Decentralized: \$HUT is a decentralized cryptocurrency, which means that it is not controlled by any central authority. This feature ensures that the token is resistant to censorship and provides a high level of security.

VISION

We are building a universe for the community, with the community inspired by Hanuman's stories.

With the help of blockchain technology, we want to invite you to join us and build our community together. We like to under-promise and over-deliver. We don't know how big Hanuman Universe will become, but we are confident on together we can act to make something impossible.

TOKONOMICS

We believe in transparency and Open Opportunities. Our token distribution is as follows:

35%

PUBLIC DISTRIBUTION

35%

STAKING AND REWARDS

15%

**TEAM

HUT DONATION VAULT

1 percent of the \$HUT transaction will be applied towards funding the HUT Donation Vault. At a certain time in the project's development, the vault will be opened and the accumulated BNB will be converted into fiat. The fiat fund will then be distributed across the institutions and initiatives working on Lord Hanuman.
